EDUCATION

University of California, Santa Cruz   **June 2021**

Bachelor of Science, Computer Science

- 3.62 GPA
- Relevant coursework: Data Structures & Algorithms, Discrete Math, Advance Programming, Distributed Systems

SKILLS

Programming Languages: Python, Java, C/C++, Javascript

Technologies: Git, Bash, Docker, Django, Flask, Heroku, Google Cloud Platform

PROJECTS

Boba Maps - *Django, Python, JavaScript, Bootstrap, Heroku*   **September 2019**

- Completed live Django web application that locates bubble tea restaurants anywhere around the globe
- Implemented ratings, pictures, location markers, and times available for each restaurant within a certain radius
- Built to support over 10000 restaurant locations all around the world

BSOE New Course Search - *Python, JavaScript, HTML5, CSS3, Github Pages*   **March 2019**

- Completed static website that converts over 150 old UCSC STEM course numbers into new ones
- Allows over 5000 students in the engineering & sciences department to quickly find the classes they need to take
- Implemented reverse lookup to find equivalency of new course numbers to old ones

Change4Change - *React, Flask, Plaid API, Stripe API*   **January 2020**

- Web application that tracks financial expenses & uses change to donate to a charitable organization
- Implemented the backend for accessing bank transactions and creating donation payments
- Created during CruzHacks 2020, UC Santa Cruz's annual hackathon with group of friends

Honeybot - *Python, C++, Docker*   **April 2019**

- Open source Python based IRC bot with various plug-ins & features
- Implemented numerous features, bug fixes, and resolved issues
- Contributed multiple updates to the open source project with over 50 stars & forks

AWARDS

- Recipient of the Amy Beth Snader Academic Scholarship, a $4000 annual award for 4 years while attending UCSC
- Dean's List Winter Quarter 2018 & 2019

ACTIVITIES

Society of Asian Scientist & Engineers (SASE)

- National collegiate organization dedicated to the advancement of Asian heritage scientists and engineers
